

A bouquet of white and red carnations is positioned in the lower right corner of the image. The flowers are in various stages of bloom, with some showing vibrant red centers and others being pure white. The stems are green and leafy. The background is a soft, draped white fabric with gentle folds and a warm, golden light illuminating the scene from the upper right.

# *The Coffin and Casket Selection*

*By S. Webb & Son Limited*

# *Introduction*

*The coffins and caskets shown in this selection are manufactured by one of the Country's leading and long established companies, using skilled craftsmen and traditional manufacturing techniques.*

*All products featured in this brochure are manufactured from managed sustained yield forests where management and replanting are government supervised.*

*Colours and models can be combined to meet individual requirements and most models are suitable for both burial or cremation purposes, however, some models may require a change of furniture in order to comply with cremation authority regulations. We recommend you enquire with your funeral director prior to selecting your chosen model.*
